HAIRDRESSING SUCCESS!

We are so pleased to announce that one of our apprentices Mark Loftin has been awarded a City and Guilds Medal of Excellence for his hard work and outstanding performance whilst on his apprenticeship. Mark couldn't have won this award without his assessor Louise, she considers Mark to be an inspiration to all apprentices.

BUSINESS GROWTH

The Business Administration department had a busy month again with a number of new starts in customer service, business administration and management. We have also supported Otter Nurseries with their current staff gaining new qualifications. This shows that an apprenticeship is for all ages, not only for 16-18 year olds. PGL Training has worked with Otter Nurseries for a number of years now, supporting their staff.
