PGL TRAINING MIND EVENT

2019 marks 15 years of PGL Training supporting Apprenticeships in the South West. To commemorate the milestone we were delighted to host our first award evening which gave us all the opportunity to celebrate the successes of young Apprentices as well as those of our employers large and small. A big thank you to all our employers which attended the event. The charity is close to all our hearts and we raised £13,270 to allow the charity to continue its excellent work in the community.
